LONG ARM MACHINE QUILTING SERVICES**

**ANTICIPATED OPENING DATE  
October 2009**

# Welcome to Suzy Q's Quilting!

### Suzy Q's Quilt Shop News

Are you ready? I am in the process of opening up a retail Quilt Shop right here in Fort McMurray! It will be **SUZY Q's QUILT SHOP** and we are planning to have our Grand Opening in mid-October. I will keep you posted by posting updates on the [What's New](#) page.

I would like to take this opportunity to tell you a little bit about what the store will 'look' like. I will be stocking approximately 1000 bolts of quality fabric – cottons, flannels, fireside, wide backing, and battings. I will be carrying several lines of threads – from cotton piecing threads to polyester quilting threads straight through to embroidery threads. There will be plenty of notions, patterns and books available as well. I will also start a 'registry' service for those who have spouses (or friends/relative) wishing to purchase your 'wishes and wants' for Christmas, Valentines, Birthdays or 'just because'. Gift Cards will also be offered.

### **Suzy Q's Long Arm Machine Quilting News**

I will be offering professional long arm machine quilting services once the retail shop opens as part of the services available to all my customers. If you would like to see my work, feel free to check out the [machine quilting services](#) link. If you would like to reserve a space before the store opens, please contact me for more information at (780) 748-7206 or e-mail [s.schellenberg@shaw.ca](mailto:s.schellenberg@shaw.ca)

### **Suzy Q's Teaching News**

I would love to hear what you would like to see in class offerings. Drop me an e-mail with your suggestions. I hope to have classes up and running in the early part of the New Year! I will have a large classroom so there is ample room for a variety of classes, workshops, meetings and special events.

### **Suzy Q's Teaching News**

If you are interested in working part time in a quilt shop, teaching classes, or interested in some contract work (example: piecing store samples) – I would love to hear from you. You can [contact me](#) and I would be happy to discuss any of these opportunities with you.

In closing, I would like to say a big Thank You to all of you who I have had the pleasure of working with in the past. I look forward to this new adventure and being able to be a part of building our quilting community in Fort McMurray. Thanks again and please feel free to *SPREAD THE WORD* – a quilt shop is coming to town (even before Santa!)
